Comment from Island about symbols (somewhat lost a mail, and i quite don't understand the table below):

I think what we spoke about: foliage, rarity and size makes the most sense as a general view:

foliage: the symbol

rarity: the colour

and size(height): the size of the symbol:

up to 7 meters: small,
>7-15 meters: medium,
>15 meters: large

	Evergreen	Brevi-Deciduous	Deciduous	Palms (how else?)
Common	Full leaf	Half full, half outline of leaf	Only outline of leaf	Frond

Uncommon

Rare /
vulnerable

Very Rare
/endangered
or
critically
endangered
