

Gisaf - Bug #15224

Double tools in data entering form

12/10/2023 14:36 - Giulio Di Anastasio

Status:	New	Start date:	12/10/2023
Priority:	Normal	Due date:	
Assignee:	Giulio Di Anastasio	% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:		Spent time:	0.00 hour
Description			
In the Tools section of Gisaf, where for example new well level readings are to be entered, all tools icons are doubled (see attached screenshot with the tools highlighted in yellow)			
Related issues:			
Related to Gisaf - Bug #15225: Duplication of well readings			In Progress 12/10/2023

History

#1 - 12/10/2023 15:29 - Philippe May

- Related to Bug #15225: Duplication of well readings added

#2 - 12/10/2023 15:48 - Philippe May

- Assignee changed from Philippe May to Giulio Di Anastasio

It seems OK now, can you try?

#3 - 12/10/2023 15:52 - Giulio Di Anastasio

I checked but the ? (question marks) are still there, even after pressing Shift-F5
