Description

For consistency and coherency, Shapefiles must all use the same attribute 'id'.

For example, in the shapefiles provided here in redmine: "wells as on 15.11.2016 UTM44N.zip" has a primary key 'well id'. It should be 'id'.

Associated revisions

Revision 5c7f7d17 - 15/12/2016 16:10 - Philippe May

ORM: add resident model, use proper keys (refs #3316, refs #3307, refs #3308), use proper foreign key names and relations
