This is a follow-up, for the same kind of case that Ram and Raj faced in Creativity today. A short text of support would be useful in the N&Ns.

Draft below:

A note from the Auroville Survey and Mapping team

Our land surveyors, Raj and Ram, are currently working in the Residential Zone, after having finished their work in the Matri Mandir area. The purpose of this tremendous work is mainly for a major study for the water management, in relation with the Water Management Strategy (see <https://www.auroville.org.in/article/69499>).

All the data we gather is available online at <http://gis.auroville.org.in> .

So, if you happen to see Raj and Ram in the Residential Zone, please allow them to proceed with their work. Thank you!

The AVSM team (Giulio, Tency, Pavneet, Philippe, Raj and Ram)
