Description

Dear Philippe and Pavneet,
I attach herewith the file I received from Johan about water main lines as he received from AV Water Service.
There are no attributes because he was not given any info neither by Selvam nor by Luca...

They can anyhow uploaded on Gisaf

Thanks
Giulio

History

#1 - 21/02/2019 14:57 - Pavneet Kaur

where will this be uploaded?

#2 - 25/02/2019 17:47 - Philippe May

- Status changed from New to Resolved

Created the model, uploaded in the basket (in Misc), imported to DB, applied some styling.

#3 - 25/02/2019 18:54 - Philippe May

- Project changed from GIS to Geomatic studio models for Gisaf

#4 - 25/02/2019 21:44 - Pavneet Kaur

just a question - shouldn't the information source be AWS for this one?

#5 - 26/02/2019 09:32 - Philippe May

- Assignee changed from Philippe May to Giulio Di Anastasio

Good question. Giulio?

#6 - 26/02/2019 12:07 - Philippe May

- Status changed from Resolved to Closed

Source changed to AWS
