GIS - Task #7839

Bush vs Bush Area - mismatch

06/03/2019 14:49 - Giulio Di Anastasio

Status:	Resolved	**Start date:**	06/03/2019
Priority:	Normal	**Due date:**	
Assignee:	Pushparaj Muthukrishnan	**% Done:**	0%
Category:		**Estimated time:**	0.00 hour
Target version:		**Spent time:**	0.00 hour

Description

Bush area has been coded as bush. But bush is point feature, not polygon.

Bush codes need to be changed into bush area codes where required
(bush shall be used only for single bush, being a point feature)
