

Gisaf - Feature #7879

Add the possibility to add custom fields for the info tools to the models

12/03/2019 11:08 - Philippe May

Form fields for well levels in the info tools pane (Refs #7879)

Revision c6041651 - 12/07/2019 15:32 - Philippe May

Add function for models to define their own form fields to be displayed in the info tools pane, remove artifacts from avgs models (Refs #7879)

History

#1 - 12/03/2019 11:09 - Philippe May

- Related to Bug #6538: Well level: improve the form and input processing (dry checkbox) added

#2 - 12/07/2019 15:46 - Philippe May

- Status changed from New to Resolved

Basic functionality added (models can define get_model_form_fields method, and then must also have a process_form_fields method), and moved the relevant pieces of code to avgs_models.
